

**DISTRICT/SCHOOL REPORT CARDS**

To provide pertinent information regarding the academic performance of the district and its schools, the Board shall annually develop and publicly disseminate a district report card and report cards for the individual schools, in accordance with federal and state laws and regulations.

**DISTRICT/SCHOOL REPORT CARDS**

I. District Report Cards

A. District report cards shall contain the following information:

1. Aggregate data on student achievement at each proficiency level on state academic assessments and disaggregated data reflecting race, ethnicity, gender, disability, migrant status, English proficiency and status as economically disadvantaged when applicable.
2. Comparison of above student groups regarding achievement levels on state assessments.
3. Percentage of students not tested, disaggregated by student groups when applicable.
4. Most recent two-year trend data in achievement by subject area and grade level in areas where assessments are required.
5. Aggregate data on state indicators to determine Adequate Yearly Progress (AYP), such as attendance rates for elementary schools.
6. Graduation rates for secondary schools, disaggregated by student groups when applicable.
7. Information on district's performance regarding Adequate Yearly Progress (AYP) and the number, percentage and names of schools identified for improvement, including how long they have been so identified.
8. Professional qualifications of teachers and percentage of teachers with emergency or provisional credentials.
9. Comparison of district students' achievements on state assessments to students in the state as a whole.

B. The Board, at its discretion, may include additional information not required by law on the district report card.

II. School Report Cards

A. School report cards shall contain the following information:

1. Same information contained on the district report card.
2. Whether the school has been identified for improvement.
3. Information that compares the school's students' achievement on state assessments and indicators of Adequate Yearly Progress (AYP) to students in the district and the state as a whole.

B. The Board, at its discretion, may include additional information not required by law on the district report card.

- III. The Superintendent or designee shall be responsible to ensure:
- A. Required information is annually updated and posted.
  - B. District report card and school report cards are provided to parents in an understandable and uniform format and, to the extent practicable, in a language the parents can understand.
  - C. District and school report cards are made available to the public through posting on the Internet, distribution through district media, and distribution to public agencies.
  - D. Public access is provided to the state report card and the school profile maintained by the state.
