POLICY: 1.4

SCHOOL CALENDAR

The Board encourages and will support all reasonable efforts to have the school calendar so organized that it will promote the greatest possible flexibility and effectiveness in the operation of educational programs.

The calendar should also be organized to promote the maximum coordination with the Reading-Muhlenberg Career & Technology Center.

The Superintendent is responsible for preparing the calendar annually and submitting it to the Board for approval.

SCHOOL CALENDAR

I. School Calendar

- A. The school calendar shall include one hundred eighty (180) instructional teaching days and in-service/clerical days as provided in the contract between the Muhlenberg Education Association and Muhlenberg School District.
- B. The Superintendent will coordinate the development of the calendar with the Reading School District in an effort to coordinate the calendar of the Reading-Muhlenberg Career & Technology Center.
- C. Possible snow make-up days are scheduled in the calendar. Any additional snow days will be added to the end of the school year.
- D. Upon approval by the Board of Education, the calendar will be circulated to all employees.
