

250-AR STUDENT RECRUITMENT

I. Recruitment

Each branch of the armed forces is welcome to visit the high school and set up recruiting displays on half day each semester in our students' commons area. The principal and guidance office should be contacted in advance of these visits so that adequate publicity can be arranged.

II. Contact with Individuals

Interviews with individual students may be held in the guidance department or in an area designated by the building administrator. Students should be interviewed during study hall time, not during time in which instruction is scheduled. Notification of these appointments should be given to the guidance office at least two (2) days in advance.

III. Student Records

Requests for release of a student's records must be accompanied by the properly executed release form. These records will be prepared within 48 hours.

Special consideration, such as early graduation, will not be made for any student.

IV. Early Graduation

Special consideration, such as early graduation, will not be made for any student.

V. Exams

Excusal from school for such items as pre-induction physical examination requires written request/approval of the student's parent/guardian.
