MEC Author Visit

MEC is proud to announce that author Nick Bruel, who has created the "Bad Kitty" children's book series among others, will be visiting MEC from November 2nd through November 4th. His visit will include special programs for students during the day in the library, the annual Literary Parade during the school day on Thursday, and a parent-child workshop on Thursday evening, November 3rd at 6:30 p.m. in the MEC cafeteria. RSVP's have been collected for this event as space is limited. We are excited and honored to have Mr. Bruel here at MEC!

WOW Initiative at MEC

The Incredible WOWS

Have you heard our WOW (Word of the Week) announced on WEEU 830-AM radio every Monday morning at 7:20 am? Have you see our WOW displayed on the bottom of the Monday comics page of the Rēading Eagle? So far, the greater Rēading area has seen and heard **premiere, courage, vivid, incognito and incredible**. These same WOWs have been taught and promoted throughout MEC daily. Be sure to use these WOWs at home with your children-they will suspect that you too, have become a word detective! Visit our school district website to hear all the WEEU WOW broadcasts thus far. And in case you miss any upcoming broadcasts, our website is updated weekly.

We are optimistic that as we use and share our WOWs, our area will indeed become the Rēading Capital of the World!!
