

Fall is in the air.....

The days are getting shorter, and the weather is getting cooler as we head into fall. We would like to take this opportunity to send a few reminders to help your child remain successful and comfortable through the fall season.

First, please make sure your child is dressed appropriately according to the temperatures outside. Although the inside of the building is temperature controlled, they will be outside for such activities as recess, and may require a sweatshirt or jacket as the temperatures become cooler.

Second, as per our student-parent handbook, students are not to wear any type of open-heel flip flop to school (page 5 of handbook). Not only will these shoes present problems for the student on cold-weather days, but they are also a safety-hazard. With various stairwells and steps in the building, these types of shoes can easily fall off of the child's foot, creating a slip, trip, or fall.

Thank you for your help and cooperation in keeping our students safe and comfortable at MEC!

Online Cafeteria Account Payments

We would also like to take an opportunity to remind you that your child's cafeteria account can be viewed at any time from any computer with internet access through the website <https://www.cafeprepay.com/>. On this site, you can also make immediate deposits into your child's account. For more information, please visit the following page on our district website at http://www.muhsdk12.org/parents_cafeteria.asp.

WOW Initiative at MEC

MEC's WOWs ARE UBIQUITOUS!!

Excitement is in the air as all of us at MEC anticipate the premiere of our WOW (Word of the Week) throughout the greater Reading area!

Due to a generous donation from Reading Pediatrics, MEC has the opportunity to share its WOWs via radio, newspaper and electronic billboard for the entire school year!

Starting, Monday, and for every Monday throughout the school year of 2011-12, our WOW will be spoken by Charlie Adams on WEEU radio at 7:15 am, printed in the comics section of the Reading Eagle, and spotlighted on the electronic billboard on 422. Wow!!! We are optimistic that as we share our WOWs we will become the Reading Capital of the World!!
