

The Trailblazer Times

Blazing New Trails in Learning Every Day!

Where We've Been/On the Horizon

Math — In Module 1, students explore place value relationships, metric unit sizes, and build fluency in addition and subtraction up to six digits.

Reading — In unit 1, students work on building skills to write a personal narrative by working on what makes a paragraph, character traits, sensory details and so much more.

Science — Students have been learning about science safety, what is science, and optical illusions. We will start energy next.

Trailblazer Fun

"Every new school year is a fresh start, a new journey filled with endless possibilities and the chance to grow, learn, and shine."

Why did the student bring a ladder to school?
Because they wanted to go to high school!
