Summer

Journal

This image shows a vertical rectangular form designed for writing. The form is enclosed within a dashed border that has rounded corners at the top and bottom. Inside the border, there are 15 horizontal lines spaced evenly down the page. The lines are solid black and extend across most of the width of the form, leaving a small margin on both sides. The overall appearance is that of a simple, clean writing template.

Use these pages to write, write, write! You can write anything you'd like, but here are some ideas:

- Small moment stories from your summer
- All-About Books
 - All About Me
 - All About My Family
 - All About Baseball
- The special recipe from a meal you created with your family
- Top 10 Lists
 - Top 10 Things to do in Summer
 - Top 10 Books I Ever Read

I **can't wait** to see what you've written this summer!
