ClassDojo

What is ClassDojo?

The selected platform that Muhlenberg Elementary Center uses to communicate with families. You will be able to see all of your child's feedback from teachers, view important announcements and updates, and see photos and videos from class! You'll also be able to see your child's classwork on their own Student Story.

What devices are compatible?

Parents can use any iOS device, Android device, Kindle Fire, or computer to connect via app or website. You can also read all Class Story posts in your preferred language instantly.

Is this a safe and secure platform?

All of your child's information is kept safe on ClassDojo. Only they, their teachers, and you as their parents can see their information. ClassDojo is COPPA-compliant and fully supports FERPA.

How do parents connect with a child's class?

Your child's teachers will need to invite you to join their class. They will either invite you by email or send home a parent code. More than one parent can be connected to a child's account.

How far back in time can parents view feedback points?

Parents can see the last two weeks of their child's feedback points. If parents would like to view a longer history, they can contact their child's teacher or the ClassDojo team.

How do parents connect with multiple classes?

Parents can enter multiple parent codes to their account, letting them connect with all of their children's classes.

When do parents get notified by ClassDojo?

ClassDojo notifies parents whenever they receive a new private message, a new Class Story post is added, their child has posted to their Student Story, and on Friday to review their child's feedback from class.
