

Class of 2021 Portraits - Two session options are available . One option is the no charge option which Purdon Photography will take six to eight images. Purdon will select the best image, retouch and forward directly to the yearbook staff. The other option is the twenty dollar session fee. With this option, the student has the opportunity to wear a total of three outfits if they wish. One being yearbook appropriate, the other two can be completely of their choosing. They may also bring props such as sports items, musical instruments, etc. Those images will then be posted to a secure web link for them to view, select their yearbook image, and purchase prints if they wish.
