

HELLO Parents and Seniors to be!

It's that time of year to start thinking about your yearbook and senior portraits. It is NOT too early to schedule appointments beginning in June, as the yearbooks must go to publication long before graduation. In order to have all students photographed and retouched in time for the yearbook deadline, we must start making appointments now. Summer slots fill quickly!!

We make scheduling an appointment easy by using the online Sign-up Genius. (see link below). We offer 2 options:

- 1) Those who want to take a yearbook photo and/or senior portraits may do so by paying a \$20.00 session/posting fee and providing an email address. We will post all images taken to a private website and send a link through email so the photos may be viewed and shared with family. This allows you to choose the photo you want placed in the yearbook and allows 2 additional outfit changes if you wish to change outfits (not required). Anyone interested in ordering prints may do so directly from the website.
- 2) Those who want a picture taken for the yearbook without viewing the images, can do so at no cost to you. We will photograph you in the school's required dress, retouch the image, crop it to yearbook size and send it directly to the yearbook advisor. This option does not include posting the images to the website.

Please check out this Sign-up Genius link which will be updated as the early slots fill. Do Not Delay, slots fill quickly and the deadline approaches rapidly. Plan your outfits: many students like to be photographed wearing sports uniforms, band uniforms, and with hobby accessories. Be as creative as you like – it is your time to shine! See you soon!
