

MUHL TIMES

Volume 1, Issue 6

February 2016

**Muhlenberg
Elementary
Center**

Hello Cool Muhls,

January brought our first major snow storm of the winter season. Along with it, we had two snow days and lots of shoveling!

When the weather cooperates, we will make every attempt to get the students outside to enjoy recess. Please remember to send your child to school with a coat, hat and gloves. If you have difficulty getting some of these items, please contact one of our counselors or Ms. Morris for assistance.

The snow adds some challenges to the bus stop as well. Children should not be playing with the snow on the way to or from MEC. Student should not be standing in the street waiting for the bus. They need to remain on the sidewalk at all times.

Because of the high piled snow, remind students to wait until the bus has completely stopped and to cross in front of the bus when exiting for complete safety.

UPCOMING EVENTS

February 15—Snow Make Up Day #1

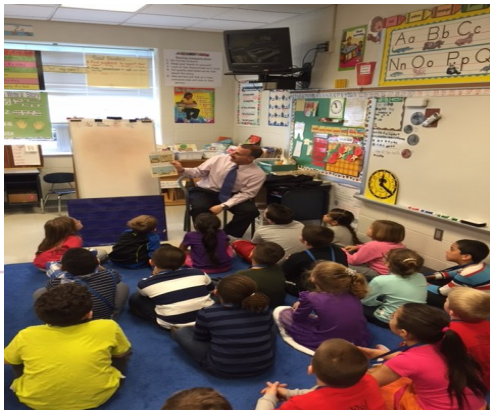

March 14—MEC Pi Day Record Breaking Event!

March 16, 17, 18—Kindergarten Registration

March 21-28—Possible Snow Make Up Days...stay tuned

MEC GUEST READER: DR. MACHAROLA

Mrs. Heim's class had a special visitor this month...our very own Superintendent, Dr. Macharola. He enjoyed reading to our first graders and captivated them with the positive energy in his voice.

MEC SPECIAL GUEST: MAYOR SCOTT

Mrs. Sterious had a special visitor to her class as well. Reading mayor Wally Scott paid a visit to her second graders.

SPECIAL THANKS...

.Mr. Wolfe and the district maintenance crew put in many hours during the weekend of the huge snow storm and during the two snow days to get MEC ready for students to return. They worked with limited resources to prepare the buildings for Wednesday's two hour delay schedule. Much appreciation!!

MUHLENBERG GRADUATE GIVES BACK

Ms. Lydia Snow is a Muhlenberg graduate that is completing her counseling internship partly at MEC.

— Mrs. Karen Madeira is her mentor during the Spring semester. Lydia is excited to work with our children and give back to the district that she knows so well.

HIGH FIVE GRADE LEVEL CHAMPS

The second learning rally at MEC included the totals of classroom and grade level HIGH FIVES. All High Fives were counted and tallied since the first learning rally.

Here are the results:

Kindergarten—Mrs. Vlasak

First grade—Mrs. Billger

Second grade—Miss Mesinger

Third grade—Mrs. Harman

Fourth grade—Mr. Payne

Overall grade level winner—KINDERGARTEN :)

Highest classroom total—Mrs. Vlasak with 321 High Fives

The third quarter learning rally results will be posted in April. Will Kindergarten remain MEC High Five Champions? Will Mrs. Vlasak's students keep up the phenomenal pace?
