

RACC Talks to Parents about Dual Enrollment -- Virtual Information Sessions

Dual enrollment courses, taught right at the high school during the high school day, are convenient and affordable. Parents have questions about how RACC Dual Enrollment works. How to you sign your student up? When is the registration forms due? How do credits transfer? What's the difference between AP and Dual Enrollment? How do I pay my bill?

Log on to one of three scheduled Zoom sessions to ask questions about Dual Enrollment. Jodi Corbett, RACC Director of Academic Partnerships, will host this 45 minute Q&A virtual session. You do not need to make a reservation for any of these sessions. The Q&A format will allow you to submit questions which will be answered live.
