

When I grow up...

When I grow up, I want to be on the Swat Team.

One reason I want to be in a swat team is because they have cool gadgets like protective shields.

Another reason I want to be in a swat team is because we can help keep people safe.

My last reason I want to be on the swat team is because when prisoners are not listening or breaking the law, we can put them into jail.

If I want to be in a SWAT team I will need to go to college and study hard.
