Dr. Joseph Macharola, Superintendent, would like to thank everyone for their patience and support as the Muhlenberg School District continues to navigate through this extraordinary situation that has had a worldwide effect with COVID-19. As you may or may not be aware, Governor Wolf has moved Berks County into the Green Phase beginning June 26, 2020. There will still be requirements to be administered and followed by the Muhlenberg School District, one of which will be to prepare a Pandemic Plan for the district. We will be working with the other school districts in Berks County researching the recommendations of the CDC, the World Health Organization and the Pennsylvania Department of Health to build a safe and healthy environment for the return of our employees and our students. This will continue to emerge throughout the summer.

The school district will be serving bagged breakfast and bagged lunch meals to go – drive-through or walk-up is available. Meal distribution is available Monday through Thursday from 10:00 AM to 12:00 PM. There will be no meal distribution service on Fridays. Meals can be picked up at the rear of the Elementary Center where busses drop-off students. This service is for children 18 years of age and younger. We look forward to serving you!
