

QUALIFYING STANDARDS

County Championship qualifying marks may be set at any meet during the year. All schools are guaranteed one spot in the county championships. To enter more, all competitors must have met the qualifying standard. Only three allowed to compete in each event. Anyone who places in the top 8 at Shaner automatically qualifies for the County meet.

District qualifying marks may be set at any meet during the year. Meeting the standard does not guarantee entry into the District III Meet. Your mark must be one of the top marks in the District. The number of competitors in each event is in parenthesis behind the event.

State qualifying marks must be met at the District III Track and Field Championships on May 16 – 17, 2014. Anyone who places in the top eight and meets these marks qualifies for the State Track Meet. First, second, third, or fourth in each event automatically qualify.
