To the Parents of all Muhlenberg Students,

We here in the Food Service Department are offering you a way to check your child's lunch account balance and add money to the account.

This is a new program. You can find it at www.myschoolbucks.com then follow the directions to open an account. Opening up an account and looking at your child's balances is free, to put money on your child's account there will be a \$2.50 fee for each transaction made. Example if you have 2 children in school here and would like to put \$10.00 in each account it would cost you \$25.00 total, which is \$10.00 in each account and \$5.00 for the 2 transactions. You will be able to use any of the credit cards that are list on the web site. Remember that checking the status of your child's account is free.

Thank You,

Carey Kline
