Please talk with your child about considering one of these crucial instruments!

There is a **mandatory** Beginning Band Meeting on **Tuesday, September 10th at 6:00pm**. Instruments already rented will be distributed by Zeswitz Music. After the brief meeting, there will be an additional **“Meet the Instrument”** opportunity for anyone who was not able to attend in June. If you attended the MTI Night in June, you will be free to leave after the meeting! Important information about band lessons will also be distributed that night. Please register with Zeswitz in advance online at: www.zeswitzmusic.com.
