

Who should attend the Muhlenberg Virtual School?

Students in K-6 that are interested in attending virtually with classroom teachers and in grades 7-12 are eligible to participate in MVS. Ideal candidates for Edgenuity are those who excel in a non-traditional classroom setting and will benefit from flexible scheduling with an individualized learning plan.

How will students be supported?

Students attending the Muhlenberg Virtual School not only have access to the high quality academic support provided by Edgenuity, but also local district personnel who will be able to provide academic support. In addition, counseling, college and career planning services, and other school-based services can be accessed by MVS students. K-6 students attending virtual instruction work with Muhlenberg teachers.

What is the benefit of a local virtual school compared to my cyber/charter school?

Students enrolled in the Muhlenberg Virtual School have full access to the Muhlenberg School District's programs and activities. This includes clubs, activities, sports, etc. Students who graduate through MVS will receive a Muhlenberg diploma

Vision Statement

The Muhlenberg School District is committed to guiding all students on a path of excellence with active and purposeful learning experiences, a growing and comprehensive curriculum, collaborative and innovative staff and creative use of technology and resources coupled with an unrelenting desire for success.

How it works

Edgenuity offers numerous online courses to satisfy a variety of student needs. Students will take all of their courses online.

This curriculum is developed by Pennsylvania certified and highly qualified teachers to meet our district's expectations. The standards-aligned curriculum is designed to fully engage and challenge students through rigorous content delivered by interactive, media-rich instruction. The program is easy to navigate and is student-centered.

The courses include web-based curriculum with material designed for each grade level education (Grades 7-12). Highly qualified, state-certified virtual teachers that instruct, remediate, motivate, proactively communicate with students, and provide feedback on assignments

Muhlenberg Virtual School for elementary and intermediate students follows the Pennsylvania standards-aligned curriculum and provides a daily schedule that promotes community, engaging instruction, and opportunities for reteaching, practice, and enrichment.
